

Landhaus kaufen Maella, Bajo Aragón-Caspe

Finca with a connection to water with a total surface area of 2.000 m² (0.2 hectares), located on the outskirts of the village Maella. There is a masia with an surface area of 50 m² divided over two floors, whose walls are in good condition. There are almond trees, which are full production. The finca has right to water four months a year, namely in the winter months. Outside of these months it is sometimes possible to take off water depending on whether there is 'extra' water. However, it is possible to place a deposit or to make a well in order to keep the water for the rest of the year. The plot is very well served by a paved road and has a beautiful view of the village. It's a perfect place for someone who wants to be close to all amenities but prefers to have privacy and want to be close to nature. Our office is situated in Maella (Calle Santa Barbara 20), which is surrounded by small villages. Each one of them has their historic centre and their shops, restaurants, bars, events and markets. The larger cities are located at the following distances: Gandesa (34 km), Alcaniz (49 km), Tarragona (112 km), Lleida (114 km), Zaragoza (130 km), Castelló (191 km) and Barcelona (190 km). The roads are in good condition and the two main motorways leading to each city of Spain are 80 kilometres away from Maella.
